QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Why am I receiving these materials?

The Board of Directors is soliciting proxies for the Annual Meeting. The Notice of Annual General Meeting, a proxy card, this Proxy Statement and our Annual Report to Shareholders for the fiscal year ended December 28, 2018 (the "Annual Report") are being mailed on or about April 17, 2019 to shareholders as of the Record Date.

Where and When is the Annual Meeting?

We will hold the Annual Meeting on May 14, 2019 at 9:00 a.m., Pacific Time, at our corporate headquarters located at 3185 Laurelview Ct, Fremont, California 94538.

What am I being asked to vote on at the Annual Meeting?

We are asking our shareholders to consider the following proposals:

- The election of the Class III director, Marc Haugen, to serve until our annual general meeting to be held in 2022 or until his successor is duly elected and qualified;
- The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 27, 2019; and
- Any other business properly introduced at the Annual Meeting.

How does the Board of Directors recommend I vote on these proposals?

The Board of Directors recommends a vote:

- **"FOR"** the election of the Class III director, Marc Haugen, to serve until our annual general meeting to be held in 2022 or until his successor is duly elected and qualified; and
- **"FOR"** the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 27, 2019.

What must I do if I want to attend the Annual Meeting in person?

Attendance at the Annual Meeting is limited to individuals who were shareholders as of the Record Date. Registration and seating will begin on Wednesday, May 14 at 8:45 a.m., Pacific Time. Each shareholder will be asked to present proof of identification, such as a driver's license or passport, and a proxy card, prior to admission to the Annual Meeting. Beneficial owners of shares held in street name will need to bring proof of share ownership as of the Record Date, such as a bank or brokerage firm account statement or a letter from the intermediary holding your shares. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

How many votes do I have?

You have and may cast one vote for each ordinary share of the Company that you owned at the close of business on the Record Date. These shares include:

- Shares registered directly in your name with Broadridge Corporate Issuer Solutions, Inc. ("Broadridge"), our transfer agent, for which you are considered the "shareholder of record"; and
- Shares held for you as the beneficial owner through a broker, bank or other nominee.

As of the Record Date, the Company had 26,807,568 ordinary shares issued and 22,370,129 ordinary shares outstanding.

What is the difference between holding shares as a "shareholder of record" and as a "beneficial owner"?

If your shares are registered directly in your name with Broadridge, you are considered the "shareholder of record" with respect to those shares. We have sent the proxy materials for the Annual Meeting directly to you. As the shareholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting. Throughout this Proxy Statement, we refer to shareholders who hold their shares directly with Broadridge as "shareholders of record."

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of the shares held in street name. Your broker, bank or other nominee who is considered the shareholder of record with respect to those shares has forwarded proxy materials for the Annual Meeting to you. As the beneficial owner, you have the right to direct your broker or nominee on how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the shareholder of record, you may not vote your ordinary shares in person at the Annual Meeting unless you follow your broker’s procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use. Throughout this Proxy Statement, we refer to shareholders who hold their shares through a broker, bank or other nominee as “beneficial owners” or “street name shareholders.”

What is a proxy?

A proxy is your legal designation of another person to vote the ordinary shares you own. That other person is called your proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated two of our officers as proxies for the Annual Meeting to cast your vote. These officers are Thomas M. Rohrs, our Chairman and Chief Executive Officer, and Jeffrey S. Andreson, our President and Chief Financial Officer.

How do I vote?

General

You can vote by proxy or in person. For specific methods of voting available to you, see below.

If you submit your proxy using any of the methods below, Thomas M. Rohrs or Jeffrey S. Andreson will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some, or none of the nominees for director and for or against any other proposals properly introduced at the Annual Meeting. If you vote by telephone or Internet and choose to vote with the recommendation of the Board of Directors, or if you vote by mail, sign your proxy card and do not indicate specific choices, your shares will be voted “FOR” the election of all nominees for director and “FOR” the ratification of the appointment of our registered independent public accounting firm.

If any other matter is presented, your proxy will authorize Thomas M. Rohrs or Jeffrey S. Andreson to vote in accordance with their best judgment. At the time this Proxy Statement was printed, we knew of no matters to be considered at the Annual Meeting other than the two proposals referenced in this Proxy Statement.

Voting Methods for Shareholders of Record

If you are a shareholder of record, you may vote by one of the following methods:

- **By Internet:** you may vote over the Internet at www.proxyvote.com by following the instructions on the proxy card. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 13, 2019.
- **By Telephone:** you may vote by touch-tone telephone by calling 1-800-690-6903. Telephone voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 13, 2019.
- **By Mail:** you may authorize your proxy by completing, signing and dating your proxy card and returning it in the reply envelope included with the paper proxy materials.
- **In Person:** you may attend the Annual Meeting and vote in person by completing a ballot; however, attending the Annual Meeting without completing a ballot will not count as a vote. If you choose to vote in person, you must bring proof of identification and your proxy card to the Annual Meeting.

Voting Methods for Street Name Shareholders

If you are a street name shareholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Street name shareholders should generally be able to vote by returning an instruction card, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name shareholder, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

Can I change my vote or revoke my proxy?

Yes. If you are a shareholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

- Entering a new vote by Internet or by telephone;

- Returning a later-dated proxy card;
- Notifying the Secretary of the Company, in writing, at Ichor Holdings, Ltd., Attn: Secretary, 3185 Laurelview Ct., Fremont, California 94538; or
- Completing a written ballot at the Annual Meeting in person.

If you are a street name shareholder, your broker, bank or other nominee can provide instructions on how to change your vote.

What is a quorum?

A quorum of shareholders is necessary to hold a valid meeting. The presence in person or by proxy or, if a corporation or other non-natural person, by its duly authorized representative, of the shareholders holding in aggregate not less than a simple majority of our issued and outstanding ordinary shares constitutes a quorum.

Your ordinary shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement but will not count as votes for the purposes of the voting threshold. If there is no quorum present within half an hour of the time appointed for the meeting, the meeting shall stand adjourned to the same day in the next week at the same time and place or to such other day, time and place as the directors may determine.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding our ordinary shares in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole “routine” matter: the proposal to ratify the appointment of our independent registered public accounting firm. Your broker will not have discretion to vote on the election of directors, which is a “non-routine” matter, absent direction from you.

What vote is required to approve each proposal?

The election of directors and the ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast at the meeting and entitled to vote on the proposal.

A properly executed proxy marked “abstain” with respect to the ratification of the appointment of our independent registered public accounting firm will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast “FOR” the ratification of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against that matter. Broker non-votes will have no effect on this proposal.

Who will count the vote?

A representative of Broadridge will tabulate the votes and act as the inspector of election.

Is my vote confidential?

Yes. The Company encourages shareholder participation in corporate governance by ensuring the confidentiality of shareholder votes. The Company has designated Broadridge, its independent transfer agent and registrar, to receive and tabulate shareholder votes. Your vote on any particular proposal will be kept confidential and will not be disclosed to the Company or any of its officers or employees except (i) where disclosure is required by applicable law, (ii) where disclosure of your vote is expressly requested by you or (iii) where the Company concludes in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes. However, aggregate vote totals will be disclosed to the Company from time to time and publicly announced at the Annual Meeting.

Where can I find the voting results?

The Company will announce preliminary voting results at the Annual Meeting and publish preliminary results, or final results if available, in a Current Report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) within four business days of the Annual Meeting.

Who pays for proxy solicitation?

We will pay the cost of soliciting proxies for the Annual Meeting. We will reimburse brokers, fiduciaries, custodians and other nominees for their costs in forwarding proxy materials to beneficial owners of our ordinary shares. Other proxy solicitation expenses that we will pay include those for preparation, mailing, returning and tabulating the proxies.

PROPOSAL NO. 1 ELECTION OF DIRECTOR

The Board of Directors is currently comprised of seven members and divided into three classes. Directors in each class serve for a term of three years or until their successors are duly elected and qualified or until their earlier death, resignation or removal. The term of directors of one class expires at each annual general meeting. John Chenault has notified the Board of Directors that he will not stand for election at the Annual Meeting and will leave the Board of Directors at that time. As a result, immediately following the Annual Meeting, the Board of Directors will consist of six members.

At the Annual Meeting, one director will be elected to serve until our annual general meeting to be held in 2022 or until his successor is duly elected and qualified or until his earlier death, resignation or removal. The Board of Directors, upon the recommendation of the compensation, nominating and corporate governance committee of the Board of Directors (the "Compensation, Nominating and Corporate Governance Committee"), has nominated Marc Haugen to serve as its Class III director. Mr. Haugen is currently serving as a Class III director.

A majority of all of the votes cast at the Annual Meeting at which a quorum is present in person or by proxy is required for the election of directors.

If you are a shareholder of record and you vote by telephone or over the Internet or sign your proxy card but do not give instructions with respect to the voting of directors, your shares will be voted "FOR" the re-election of Mr. Haugen. If you are a street name shareholder and you do not give voting instructions to your broker or nominee, your broker will leave your shares unvoted on this matter.

We expect that Mr. Haugen will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the Board of Directors.

The Board of Directors recommends a vote FOR the election of the nominated director.

Mr. Haugen received an M.B.A. from the University of California Los Angeles and the National University of Singapore and a B.S. in Industrial and Systems Engineering from the University of Southern California. Mr. Haugen is qualified to serve as a member of the Board of Directors and as a member of the Audit Committee because of his extensive business and financial background and his multi-year service in management positions at international technology companies.

Mr. Kowal holds a B.S. in Economics with a Finance concentration from The Wharton School, University of Pennsylvania. We believe that Mr. Kowal is qualified to serve as a member of the Board of Directors because of his experience in the private equity and venture capital industries analyzing, investing in and serving on the boards of directors of manufacturing and technology companies, as well as his perspective as a representative of our previously largest shareholder.

Prior to joining Black Diamond Ventures, Mr. Kispert was CEO of Spansion, Inc., a developer and manufacturer of embedded semiconductors, from 2009 to 2015 where he lead the company out of bankruptcy in early 2009 to a profitable, growing company with over \$1.5 billion in annual revenues, eventually completing a merger with Cypress Semiconductor in March 2015. Previously, Mr. Kispert was with KLA-Tencor, an S&P 500 global semiconductor leader, from 1995 to 2009, advancing to numerous high-level positions including President and COO from 2005 to 2009 and Executive Vice President and CFO from 2000 to 2005. Mr. Kispert earned his MBA from UCLA in 1989. Mr. Kispert is qualified to serve as a member of the Board of Directors and as a member of the Audit Committee because of his extensive business and financial background, his multi-year service as the Chief Executive Officer of an international technology company, his multi-year service in management positions at technology companies, and his experience in the venture capital industry.

Laura Black has served as a director of Ichor since February 2019. Ms. Black serves as a Managing Director of Needham & Company, a full service investment banking firm. From July 1993 to June 1995, Ms. Black served as a Director for TRW Avionics & Surveillance Group where she evaluated acquisition candidates, managed direct investments, and raised venture capital to back spin-off companies. From August 1983 to August 1992, she worked at TRW as an electrical engineer designing spread spectrum communication systems. Ms. Black holds a BSEE from University of California at Davis (1983), an MSEE from Santa Clara University (1988), and an MS Management from Stanford (1993). Ms. Black is qualified to serve as a member of the Board of Directors and as a member of the Audit Committee because of her extensive business and financial background and her multi-year service in senior investment banking positions.

Board Composition

The Board of Directors currently consists of seven members. Mr. Chenault has notified the Board of Directors that he will not stand for election at the Annual Meeting and will leave the Board of Directors at that time.

The Board of Directors currently consists of six independent directors (and following Mr. Chenault's resignation it will consist of five independent directors) and is divided into three classes, with one class being elected at each year's annual general meeting. Following the expiration of the initial term of a class of directors, each class of directors will serve a three-year term. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the total number of directors.

Director Independence

In accordance with the NASDAQ rules, the Board of Directors annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company that would interfere with the exercise of independent judgment. The Company monitors the status of its directors and officers through the activities of the Compensation, Nominating and Corporate Governance Committee and through a questionnaire to be completed by each director no less frequently than annually, with updates periodically if information provided in the most recent questionnaire has materially changed.

Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, our Board of Directors has determined that each of Mr. Chenault, Mr. Haugen, Mr. Kowal, Mr. MacKenzie, Mr. Kispert, and Ms. Black has no material relationship that would interfere with the exercise of independent judgment and is "independent" within the meaning of the applicable rules of the SEC and as defined in the NASDAQ rules. Mr. Chenault, Mr. Haugen, Mr. Kispert, and Ms. Black also satisfy the requirements for independence imposed upon audit committee members by Rule 10A-3 under the Exchange Act.

Board Leadership Structure

Mr. Rohrs serves as both our Chief Executive Officer and the Chairman of the Board of Directors. Under our amended and restated memorandum and articles of association, the chairman is elected by the affirmative vote of a majority of the directors then in office. The Board of Directors encourages at least annual executive sessions amongst non-management, which are presided over by an independent director, currently Mr. MacKenzie, designated by the non-management directors.

In 2018, the Board appointed Mr. MacKenzie as its Lead Independent Director to liaison between management and the other non-employee directors. The Lead Independent Director schedules and chairs meetings of the independent directors. The independent directors (including the Lead Director) hold a closed session at each regularly scheduled Board meeting.

The Board of Directors believes that the foregoing structure achieves an appropriate balance between the effective development of key strategic and operational objectives and independent oversight of management's execution of such objectives. Additionally, the Board of Directors will continue to periodically review its leadership structure.

Board Meetings and Committees

During fiscal 2018, the Board of Directors held 12 meetings, the Audit Committee held 7 meetings and the Compensation, Nominating and Corporate Governance Committee held 4 meetings. Each member of the then-current Board of Directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors held during the period for which he or she has been a director and (ii) the total number of meetings held by all committees of the Board of Directors on which he or she served during the periods that he served.

Our directors are expected to attend the annual general meeting and all or substantially all of the Board of Directors meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.

The Board of Directors has established the Audit Committee and the Compensation, Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees are described below. Members will serve on these committees until their resignation or as otherwise determined by the Board of Directors.

Audit Committee

The Audit Committee is responsible for, among other matters: (1) oversight of the quality and integrity of our financial statements and financial reporting processes and of our systems of internal accounting and financial controls and disclosure controls; (2) the qualifications and independence of our independent auditors; (3) the performance of our independent auditors; and (4) compliance with legal and regulatory requirements and codes of conduct and ethics programs established by management and our Board of Directors.

The Audit Committee currently consists of Mr. Kispert, Mr. Chenault, Mr. Haugen and Ms. Black. Mr. Kispert is currently the chairman of the Audit Committee. The Board of Directors has determined that Mr. Kispert, Mr. Chenault, Mr. Haugen and Ms. Black qualify as independent directors according to the rules and regulations of the SEC with respect to audit committee membership. The Board of Directors has also determined that Mr. Kispert and Ms. Black qualify as “audit committee financial experts,” as such term is defined in Item 401(h) of Regulation S-K under Securities Act of 1933, as amended (the “Securities Act”). The Board of Directors adopted a written charter for the Audit Committee, which is available on our corporate website at ir.ichorsystems.com. Our website is not part of this Proxy Statement.

Compensation, Nominating and Corporate Governance Committee

The Compensation, Nominating and Corporate Governance Committee is responsible for, among other matters: (1) reviewing and approving all compensation, including incentive compensation and corporate and individual goals and objectives relevant to our chief executive officer, and evaluating our chief executive officer’s performance in light of those goals and objectives; (2) reviewing and approving the base salaries, incentive compensation and equity-based compensation of our other executive officers; (3) approving all significant compensation or incentive plans for executives (including material changes to all such plans); (4) having the sole authority to retain or obtain the advice of any compensation consultant, independent legal counsel or other adviser after taking into account certain factors which address the independence of that consultant, counsel or adviser; (5) annually reviewing and discussing with management the Compensation Discussion and Analysis for the Company’s proxy statement, if applicable; (6) identifying and recommending to our Board of Directors the persons to be nominated for election as directors and to each of the committees of our Board of Directors; and (7) leading our Board of Directors in its annual review of the performance of our Board of Directors. The committee’s responsibility for identifying and recommending persons to join the Board of Directors follows a principle that composition of the Board of Directors should reflect a diversity of thought, backgrounds, skills, experiences, and expertise that are appropriate to the Company’s current and future state of affairs. Accordingly, in addition to the aforementioned criteria, the committee ensures that its pool of qualified candidates to be considered for directorship include those who bring gender and ethnic diversity. Pursuant to its charter, the Compensation, Nominating and Corporate Governance Committee may also delegate any of its responsibilities to one or more subcommittees as it may deem appropriate to the extent allowed by applicable law and NASDAQ rules.

The Compensation, Nominating and Corporate Governance Committee currently consists of Mr. Kowal and Mr. MacKenzie. Mr. Kowal is currently the chairman of the Compensation, Nominating and Corporate Governance Committee. The Board of Directors adopted a written charter for the Compensation, Nominating and Corporate Governance Committee, which is available on our corporate website at ir.ichorsystems.com. Our website is not part of this Proxy Statement.

Compensation Committee Interlocks and Insider Participation

For fiscal 2018, our Compensation, Nominating and Corporate Governance Committee made all compensation decisions. None of our executive officers serve as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation, Nominating and Corporate Governance Committee.

Other Committees

The Board of Directors may establish other committees as it deems necessary or appropriate from time to time.

Code of Business Ethics and Conduct

We adopted a code of business ethics and conduct applicable to all of our officers, employees and unless specifically noted therein, all members of our Board of Directors. Copies of the code of business ethics and conduct is available on the Investors page of our corporate website at ir.ichorsystems.com. We expect that any amendments to the code of business ethics and conduct, or any waivers of its respective requirements, will be disclosed on our website. Our website is not part of this Proxy Statement.

Risk Oversight

Our Board of Directors oversees the risk management activities designed and implemented by our management. Our Board of Directors executes its oversight responsibility for risk management both directly and through its committees. The full Board of Directors also considers specific risk topics, including risks associated with our strategic plan, business operations and capital structure. In addition, our Board of Directors receives detailed regular reports from members of our senior management and other personnel that include assessments and potential mitigation of the risks and exposures involved with their respective areas of responsibility.

Our Board of Directors has delegated to the Audit Committee oversight of our risk management process. Our other committees of our Board of Directors will also consider and address risk as they perform their respective committee responsibilities. All committees will report to the full Board of Directors as appropriate, including when a matter rises to the level of a material or enterprise level risk.

Considerations in Evaluating Director Nominees

The Board of Directors is responsible for nominating members for election to the Board of Directors and for filling vacancies on the Board of Directors that may occur between annual general meetings of shareholders, as specified in our amended and restated memorandum and articles of association. The Compensation, Nominating and Corporate Governance Committee is responsible for identifying and recommending to our Board of Directors the persons to be nominated for election as directors and to each of the committees of our Board of Directors. When formulating its Board of Directors membership recommendations, the Compensation, Nominating and Corporate Governance Committee may also consider advice and recommendations from others, including shareholders, as it deems appropriate.

The Compensation, Nominating and Corporate Governance Committee has not identified specific minimum qualifications that must be met or specific qualities or skills that must be possessed for a person to be considered as a candidate for director; however, the Compensation, Nominating and Corporate Governance Committee and the Board of Directors value diversity and believe that the Board of Directors should be composed of individuals with knowledge and experience in many substantive areas that impact our business, including a diverse set of viewpoints, backgrounds, skills, experiences, and expertise. In addition to reviewing these factors, the Compensation, Nominating and Corporate Governance Committee and the Board of Directors ensure that the pool of qualified persons to be considered for directorship include those who bring gender and ethnic diversity.

We believe that all of our current board members possess the professional and personal qualifications necessary for board service, and have highlighted in the individual biographies above the specific experience, attributes and skills that led to the conclusion that each board member should serve as a director.

Shareholder Recommendations for Nominations to the Board of Directors

The Compensation, Nominating and Corporate Governance Committee will consider nominees recommended by shareholders. Pursuant to the Company's amended and restated memorandum and articles of association, shareholders who wish to recommend a candidate for consideration at our annual general meeting to be held in 2020 (the "2020 Annual Meeting") may do so by delivering a written recommendation to our Secretary at Ichor Holdings, Ltd., Attn: Secretary, 3185 Laurelview Ct., Fremont, California 94538. The recommendation must include a description of the candidate's qualifications for board service, including all of the information that would be required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the SEC, the candidate's written consent to be considered for nomination and to serve if nominated and elected, and addresses and telephone numbers for contacting the shareholder and the candidate for more information. A shareholder who wishes to nominate an individual as a candidate for election, rather than recommend the individual to the Compensation, Nominating and Corporate Governance Committee as a nominee, must comply with the notice procedures set forth in our amended and restated memorandum and articles of association. See "Other Matters—Shareholder Proposals" for more information on these procedures. No candidates for director nominations were submitted by any shareholder in connection with the Annual Meeting. If you intend to nominate one or more directors, you must give timely notice thereof in writing to the Secretary at the address set forth above. Our secretary must receive the notice not less than 90 days and not more than 120 days before the one-year anniversary of the immediately preceding annual meeting of shareholders. This means, that for our 2020 meeting, our Secretary must receive the notice no earlier than January 8, 2020 and no later than February 7, 2020.

Communications with the Board of Directors

Interested parties wishing to communicate with the Board of Directors or with an individual member or members of the Board of Directors may do so by writing to the Board of Directors or to the particular member or members of the Board of Directors, and mailing the correspondence to Ichor Holdings, Ltd., Attn: Secretary, 3185 Laurelview Ct., Fremont, California 94538. Each communication should set forth (i) the name and address of the shareholder, as it appears in our register, and if our ordinary shares are held by a nominee, the name and address of the beneficial owner of such shares, and (ii) the number of our ordinary shares that are owned of record by the record holder and beneficially by the beneficial owner.

Our Secretary, in consultation with appropriate members of the Board of Directors and management, as necessary, will review all incoming communications and, if appropriate, all such communications will be forwarded to the appropriate member or members of the Board of Directors, or if none is specified, to the Executive Chairman of the Board of Directors.

Director and Officer Indemnification and Limitation of Liability

We have entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted by applicable law.

There is no pending litigation or proceeding naming any of our directors or officers to which indemnification is being sought, and we are not aware of any pending or threatened litigation that may result in claims for indemnification by any director or officer.

PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed KPMG LLP, an independent registered public accounting firm, to audit our consolidated financial statements for our fiscal year ending December 27, 2019. During fiscal 2018, KPMG LLP served as our independent registered public accounting firm.

Notwithstanding the appointment of KPMG LLP and even if our shareholders ratify the appointment, the Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interests of the Company and its shareholders. At the Annual Meeting, our shareholders are being asked to ratify the appointment of KPMG LLP as our independent registered public accounting firm for fiscal 2019. The Audit Committee is submitting the appointment of KPMG LLP to our shareholders because we value our shareholders' views on our independent registered public accounting firm and as a matter of good corporate governance.

Representatives of KPMG LLP will telephonically attend the Annual Meeting and will be available to respond to appropriate questions from our shareholders.

The ratification of the appointment of KPMG LLP requires the affirmative vote of a majority of our ordinary shares present in person or by proxy at the Annual Meeting and entitled to vote thereon. Abstentions will have the effect of a vote AGAINST the proposal and broker non-votes will have no effect.

Auditor Independence

The Audit Committee has considered whether the provision of the above-noted services is compatible with maintaining the auditor's independence and has determined that the provision of such services has not adversely affected the auditor's independence.

Policy and Audit Committee Pre-Approval of Audit and Permitted Non-Audit Services

The Audit Committee has established policies and procedures regarding the pre-approval of audit and other services that our independent auditor may perform for us, subject to the rules and regulations of the SEC, which provide that certain non-audit services accounting for less than five percent of the total fees paid to the independent auditor be approved by the Audit Committee retroactively. In accordance with the charter of the Audit Committee, approval can be made by the chairman of the Audit Committee (or any member of the Audit Committee if the chairman is not available) in between committee meetings and is required to disclose the pre-approved services to the Audit Committee at the next scheduled meeting.

The Board of Directors recommends a vote FOR the ratification of the appointment of KPMG LLP.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee operates under a written charter approved by the Board of Directors, which is available on our website at ir.ichorsystems.com. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter and the Audit Committee's performance on an annual basis.

With respect to the Company's financial reporting process, the management of the Company is responsible for (1) establishing and maintaining internal controls and (2) preparing the Company's consolidated financial statements. Our independent registered public accounting firm, KPMG LLP, is responsible for auditing these financial statements. It is the responsibility of the Audit Committee to oversee these activities. It is not the responsibility of the Audit Committee to prepare our financial statements. These are the fundamental responsibilities of management. In the performance of its oversight function, the Audit Committee has:

- reviewed and discussed the audited financial statements with management and KPMG LLP;
- discussed with KPMG LLP the matters required to be discussed by the statement on Auditing Standards No. 1301, "Communications with Audit Committees" issued by the Public Company Accounting Oversight Board; and
- received the written disclosures and the letter from KPMG LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with KPMG LLP its independence.

Based on the Audit Committee's review and discussions with management and KPMG LLP, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 28, 2018 for filing with SEC.

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

John Kispert (Chair)
John Chenault
Marc Haugen
Laura Black

This report of the Audit Committee is required by the SEC and, in accordance with the rules and regulations of the SEC, will not be deemed to be part of, or incorporated by reference by any general statement incorporating by reference to, this Proxy Statement into any filing under the Securities Act, or under the Exchange Act, except to the extent that we specifically incorporate this information by reference, and will not otherwise be deemed "soliciting material" or "filed" under either the Securities Act or the Exchange Act.

EXECUTIVE COMPENSATION

The following section provides compensation information pursuant to the scaled disclosure rules applicable to “emerging growth companies” under the rules of the SEC and may contain statements regarding future individual and company performance targets and goals. These targets and goals are disclosed in the limited context of our executive compensation program and should not be understood to be statements of management’s expectations or estimates of results or other guidance. We specifically caution investors not to apply these statements to other contexts.

Overview

Our “Named Executive Officers” for fiscal 2018, which consist of our principal executive officer and the two other most highly compensated executive officers, are:

- Thomas Rohrs, our Chief Executive Officer;
- Jeffrey Andreson, our Chief Financial Officer; and
- Philip Barros, our Chief Technology Officer.

The primary objectives of our executive compensation program have been to: (1) attract, engage, and retain superior talent who contribute to our long-term success; (2) motivate, inspire and reward executive officers whose knowledge, skills and performance are critical to our business; (3) ensure compensation is aligned with our corporate strategies and business objectives; and (4) provide our executive officers with incentives that effectively align their interests with those of our shareholders.

Our Compensation, Nominating and Corporate Governance Committee (the “Committee” for purposes of this section) sets the compensation of our executive officers. During fiscal 2018, our Compensation Committee worked with its independent advisor, Radford, and our senior management to assess these objectives and the compensation plan design to ensure that it continues to meet our business needs.

Executive Compensation Design Overview

Our executive compensation program has reflected our growth and development oriented corporate culture. To date, the compensation of our Named Executive Officers has consisted of a combination of base salary, annual cash incentive compensation and long-term incentive compensation in the form of stock options, restricted share units, or other equity awards. Our executive officers and all salaried employees also are eligible to receive health and welfare benefits as well as participate in a 401(k) plan.

The Company evaluates its philosophy and compensation plans and arrangements as circumstances require. At a minimum, we evaluate and review our executive compensation, programs, objectives and philosophy on an annual basis and at the time of promotion or other change in level of responsibilities, as well as when competitive circumstances or business needs may require. Accordingly, the compensation paid to our Named Executive Officers for fiscal 2018 may not necessarily be indicative of how we may compensate our Named Executive Officers in future years.

Elements of Compensation

Base Salary

The annual base salaries for our Named Executive Officers as of the beginning of fiscal 2018 were:

Named Executive Officer	Base Salary
Thomas Rohrs (1)	\$ 450,000
Jeffrey Andreson (2)	\$ 360,000
Philip Barros (3)	\$ 360,000

- (1) Mr. Rohrs’ annual base salary was increased to \$550,000 in April 2018.
- (2) Mr. Andreson’s annual base salary was increased to \$380,000 in April 2018, and was further increased to \$450,000 in April 2019 in connection with his appointment as President of the Company.
- (3) Mr. Barros’s annual base salary was increased to \$380,000 in April 2018.

Incentive Compensation Plan

We pay performance-based cash incentives in order to align the compensation of our Named Executive Officers with our short-term operational and performance goals and to provide near-term rewards for our Named Executive Officers to meet these goals. Our short-term, performance-based cash incentive plan for fiscal 2018 (the "2018 ICP"), provides for incentive payments correlated to each six-month period during our fiscal year and annually for individual management by objectives ("MBOs"). These incentives are based on the attainment of pre-established objective financial and operating goals and are intended to motivate executives to work effectively to achieve performance objectives and reward them at target when objectives are achieved. The results are reviewed and approved by the Compensation, Nominating and Corporate Governance Committee for each semi-annual period for the Corporate Financial and Operational metrics and annually for the individual objectives for each executive. Payments are made within 60 days following the end of the performance period.

Mr. Rohrs' target award for fiscal 2018 was equal to 100% of his base salary, up to a maximum award of 200%. Mr. Andreson's target award for fiscal 2018 was equal to 70% of his base salary for the entire fiscal year, up to a maximum award of 140%. Mr. Barros' target award for fiscal 2018 was equal to 60% of his base salary, up to a maximum award of 120%.

The following tables set forth (1) the financial metrics used to determine each Named Executive Officer's payment for each six-month period under the 2018 ICP, (2) the weighting given to each metric, (3) the related threshold, target and maximum levels for each metric, (4) and the MBOs and weighting that provide for individualized performance goals:

Metrics for First Six-Month Period of 2018	Weight	Threshold	Target	Maximum
<i>(dollars in millions)</i>

Net Income	15%	\$ 45.1	\$ 52.4	\$ 60.3

Net Income	15%	\$ 45.0	\$ 52.3	\$ 60.1
Individual MBOs	20%	--	--	--
	60%			

The following table sets forth the result that we achieved with respect to each metric based on internal reporting as of the end of each six-month period and the corresponding percentage payout under the 2018 ICP. The actual result of certain metrics was subject to adjustment for nonrecurring or unusual expenses or events occurring during the period, and therefore the actual results of such metrics under the 2018 ICP as presented below may differ from the fiscal 2018 financial information set forth in our Annual Report on Form 10-K:

	First Six Month Period		Second Six Month Period	
	Actual	Percentage Payout	Actual	Percentage Payout
<i>(dollars in millions)</i>				
Sales	\$ 507.0	163%	\$ 316.6	0%

- (1) Calculated in accordance with non-GAAP adjusted net income from continuing operations as set forth in the Company's Annual Report on Form 10-K for fiscal year 2018. Adjusted gross margin excludes the items excluded in non-GAAP adjusted net income from continuing operations to the extent they are present in gross margin.
- (2) Individual MBO payout percentages for the entire fiscal year for Messrs. Rohrs, Andreson, and Barros were 84%, 95%, and 80% respectively.

Each of Messrs. Rohrs, Andreson, and Barros earned a bonus under the 2018 ICP for the first six-month period of fiscal 2018 of \$260,361, \$125,921, and \$107,932, respectively. Each of Messrs. Rohrs, Andreson, and Barros earned a bonus under the 2018 ICP for the second six-month period of fiscal 2018 of \$92,400, \$50,540, and \$36,480, respectively.

Equity Compensation

We issue equity awards under the Ichor Holdings Ltd. 2016 Omnibus Incentive Plan (the “2016 Plan”), to incentivize and reward our executive officers, including our Named Executive Officers, for long-term corporate performance based on the value of our ordinary shares and, thereby, to align the interests of our executive officers with those of our shareholders. Prior to the consummation of our initial public offering in December 2016, we issued equity awards under the Ichor Holdings, Ltd. 2012 Equity Incentive Plan (the “2012 Incentive Plan”). These equity awards have either been in the form of stock options to purchase our ordinary shares or restricted share units. Mr. Rohrs, Mr. Andreson, and Mr. Barros received equity awards during fiscal 2018 as stated below under “Summary Compensation Table.”

The size of equity awards to each of the Named Executive Officers reflects such officer’s importance as an executive officer taking into account, among other factors, such officer’s role and responsibilities, the competitive market for executive officers, and the size, value and vesting status of existing equity awards at the time new equity awards are granted. The market for quality executive officers is competitive and our board of directors relies on several factors to assess the competitiveness of the market including a compensation consultant as well as and our directors’ own experiences in recruiting and retaining qualified executive officers.

Equity Compensation Plans

2012 Incentive Plan

The 2012 Incentive Plan was adopted by our Board of Directors and approved by our shareholders in March 12, 2012. As of December 28, 2018, there were options to purchase 555,099 ordinary shares outstanding under the 2012 Incentive Plan, at a weighted average exercise price of \$9.50 per share.

2016 Plan

The 2016 Plan was adopted by our Board of Directors and approved by our shareholders in December 2016. The 2016 Plan provides for grants of stock options, stock appreciation rights, restricted stock, other share-based awards and other cash-based awards to our directors, officers and other employees of us and our subsidiaries, as well as others performing consulting or advisory services for us. As of December 28, 2018, there were options to purchase 1,217,250 ordinary shares outstanding under the 2016 Plan, at a weighted average exercise price of \$22.71 per share and 192,300 restricted share units outstanding under the 2016 Plan (all of which are restricted).

2017 ESPP

The 2017 Employee Stock Purchase Plan (the “2017 ESPP”) was adopted by our Board of Directors and approved by our shareholders in May 2017. The 2017 ESPP grants employees the ability to designate a portion of their base-pay to purchase ordinary shares at a price equal to 85% of the fair market value of our ordinary shares on the first or last day of each 6 month purchase period. Purchase periods begin on January 1 or July 1 and end on June 30 or December 31, or the next business day if such date is not a business day. Shares are purchased on the last day of the purchase period.

Severance Obligations

The Compensation, Nominating, and Corporate Governance Committee of our Board of Directors evaluates and reviews our executive compensation, programs, objectives and philosophy on an annual basis. The Compensation, Nominating, and Corporate Governance Committee engaged Radford to advise on our executive compensation programs in connection with the Compensation, Nominating, and Corporate Governance Committee’s annual compensation review. Radford assisted in refining our executive compensation strategies and practices in comparison to similarly situated peer companies, including with respect to severance and change in control programs.

In connection with this review and based on market data provided by Radford, the Compensation, Nominating, and Corporate Governance Committee approved a new Select Severance Plan (the “Select Severance Plan”) pursuant to which we will provide severance pay and other benefits to eligible participants (the “Participants” and each, a “Participant”) in the event of such employee’s termination under certain circumstances described therein. The effective date of the Select Severance Plan was March 6, 2019 (the “Effective Date”).

The Select Severance Plan provides eligible officers (each an “Officer Participant” and collectively, “Officer Participants”) with the following benefits in the event of a termination of employment or service by us without “cause” (as defined in the Select Severance Plan) (and solely with respect to our CEO, upon resignation for “good reason” (as defined in the Select Severance Plan)):

- nine-month salary continuation (or 12 months in the case of the CEO);
- a pro rata portion (based on the number of days employed during the applicable performance period from when the separation from service occurs) of the Officer Participant’s annual target cash performance bonus based on actual results;
- continued health insurance coverage at the active employee rate for a period up to nine months (or 12 months in the case of the CEO).

In lieu of the benefits described above, if a Participant is terminated without cause or terminates employment for “good reason” during (1) the 90 day period prior to our entry into a definitive agreement that results in a “change in control” (as defined in the Select Severance Plan) (such termination, a “Pre-CIC Termination”) or (2) the period commencing on a change in control and ending 12 months later (such termination, a “Post-CIC Termination”), the Select Severance Plan provides Participants with the following benefits.

- in the case of Officer Participants, a lump sum amount in cash equal to the employee’s base salary plus the employee’s annual target cash performance bonus (or 2X such amount in the case of the CEO);
- in the case of Officer Participants, a pro rata portion (based on the number of days employed during the applicable performance period from when the separation from service occurs) of the employee’s annual target cash performance bonus based on actual results;
- in the case of Officer Participants, continued health insurance coverage at the active employee rate for a period of up to twelve months (or 24 months in the case of the CEO);
- full vesting of any unvested stock-based awards and removal of restrictions with respect to restricted stock awards; and
- any stock option, stock appreciation right or similar award shall become fully exercisable.

The severance benefits payable under the Select Severance Plan are subject to: (1) the six month delay to the extent required under Section 409A of the Internal Revenue Code of 1986, as amended; (2) the execution and non-revocation of a general release of claims in favor of us within a specified time period; (3) the Participant’s compliance with certain non-disparagement and confidentiality covenants following a termination; and (4) reduction to avoid any excise tax on “parachute payments,” but only if the executive would benefit from such reduction as compared to paying the excise tax.

Any benefits payable under the Select Severance Plan supersede and are in lieu of any severance benefits and/or payments provided under any other agreements, arrangements or severance plans by and between the executive and us unless a Participant’s employment or similar agreement provides for severance benefits that, in the aggregate, are more favorable to the Participant (in which case, such greater benefits will be paid under this Plan).

In addition, we reimbursed our directors for expenses associated with attending meetings of our board of directors and committees of our board of directors. (1) The value of these stock awards were based on the fair value of the awards as of the grant date calculated in accordance with ASC 718.

(2) Ms. Black was appointed as a director after fiscal 2018.

We have entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under applicable law.

We evaluate the compensation we pay to our non-employee directors on an annual basis. In the future, we may adjust director compensation in light of prevailing market terms and the additional responsibilities of our directors now that we are a public company.

A “related person,” as determined since the beginning of our last fiscal year, is any executive officer, director or nominee to become director, a holder of more than 5% of our ordinary shares, including any immediate family members of such persons. Any related-person transaction may only be consummated if approved or ratified by the affirmative vote of a majority of our dis-interested directors then in office in accordance with the policy guidelines set forth below.

In considering related-person transactions, our Audit Committee and Board of Directors take into account the relevant available facts and circumstances and the extent of the related person’s interest in the transaction. In the event a director has an interest in the proposed transaction, the director must recuse himself or herself from the deliberations and approval process.
